- Post-Secondary School Qualification in Social Work (Animatore Sociale) (Region Lombardy, Milan, 1990)

Detailed Academic CV – 1. Teaching

Methods: theoretical-active methods for teaching, mainly based on Participatory Action-Research (for managing and innovating teaching approaches and tools).

Structure: mixed and alternate use of Theory, Experience, Elaboration (frontal- and laboratory-based)

Materials: integrated use of literature, research data and elaboration on students' practice and experience.

Approach: learning to learn scientific and practical/usable knowledge and tools and modes of integrating them.

Teaching at University of Pisa:

- Social Policy / Comparative Welfare Systems (BA, MA and Post-graduate Courses in Social Science and Social Work), since 2009.
- Sociology of Work and Organization / Sociology of Organization (MA in Sociology and Management of Social Services, Public Administration Science, Corporate Communication and Human Resources Policy), since 2016.
- Economic Sociology, since 2018.
- Sociology of Work (BA in Social Science), 2011 - 2017.
- Training and Policy of Human Resource (MA in Social Policy), 2009 - 2011.
- Scientific Director of Traineeship for the Degree Courses: BA in Social Science, MA in Sociology (2010-2012); BA in Social Work, MA in Social Policy (2010-2014). Included: activity in work-groups for guidance, monitoring and evaluation, and Academic and Professionalizing Seminars for students and professional social workers.
- Scientific director and teacher in Post-graduate (BA and MA) courses for students that apply for the State Exam in Social Work (Assistente Sociale), 2010-14.
- Workshops and Laboratories: Action-Research (2016); Learning, leadership and decision-making processes in democratic organizations (since 2016).
- Organization of the I and II cycle of seminars "Social Transformations, Welfare and Capitalism in Europe. Actors, policies, institutions ", 2015 and 2016
- Organization of the I, II, III and IV cycle of seminars "The theory, research and intervention, between work and social policy", Degree Course in Social Science and Social Work, 2010 – 2014.
- Training seminars within the postgraduates' Master Courses (in Evaluation, Security, Human Resources Development), since 2010. Topics: Action-Research; Local welfare systems; Training and human resources policy; Nonprofit Organizations; Leadership, learning and decision-making in nonprofit organizations.

Teaching at University of Brescia and at University of Urbino 'Carlo Bo':

- Lectures on Social Policy in Urban Contexts, Urban Sociology in MA Course in Civil Engineering), University of Brescia 2008.
- Lectures on Social Policy and Nonprofit Organizations, BA and Post-graduate Courses, University of Brescia 2007-08.
- Lectures on Community development and Action-research, in Postgraduate Master Course in Social Participation, University of Urbino 2003.

Visiting Professorships:

- University of Agder, Norway, Faculty of Health and Sport Science and Department of Psychosocial Health, 17 August 2018 – 13 February 2019.
- Hochschule Bremen, Germany, City University of Applied Sciences, 25-29 September 2017.
- University of Vienna, Austria, Institut für Soziologie, 16-19 May 2016.
- University of Agder, Norway, Department of Psychosocial Health, 13 – 27 September 2014, LLP/ERASMUS Programme.
- University of Agder, Norway, Department of Psychosocial Health, 3 – 10 November 2013.
- Vidzeme University of Applied Sciences, Latvia, International Summer School "Glocalizing development: development perspectives of rural regions and small towns in a globalized world", 4-18 August, 2013.
- University of Agder, Norway, Department of Psychosocial Health - 15 - 22 September 2012, LLP/ERASMUS Programme.

Supervisor of PhD Thesis Projects:

- *Emotions at the helm. Action Research case studies of change in Southern European Social Enterprises*, by G. Colombini, discussed: 2 August 2018 (PhD in Social and Political Science, University of Pisa).
- *Culture and organizations in grassroots sports analysis: the case of Italian and Norwegian systems*, by I. Masoni, discussed: 16 July 2019 (PhD in Social and Political Science, University of Pisa).

Consultancy, Non-Academic Teaching and Community / Third Mission Activities:

Territorial initiatives with social groups, associations, non-profit organizations, social workers, public bodies, students and PhD students (Courses, Seminars, Scientific Direction and Consultancy, Laboratories) since 1999:

- Main Topics (examples):
 - Action-Research and institutional change (e.g. redefining the Local Institutional Setting of Labour Market Activation Policy), Action-Research and Community Development (e.g. Neighborhood Renewal; Social Cohesion Action, Youth and Family Social Policies), Action-Research and Nonprofit organization (e.g.: supporting a merger process between Social Firms).
 - Group conducting techniques, Group-work and social dynamics, Problem solving and Decision making processes; Participation.
 - Evaluation, Planning, Project Managing and Organizational Processes (NGO and Third Sector Organizations).
 - Welfare Systems and Logics of Rule and Intervention, Social Policy, Policy Innovation, Youth Policy, Active Labor Market Policy.
 - Work, Poverty and Social Exclusion.
- Methods: Use of theoretical-active teaching methods, mainly based on Participatory Action-Research and Soft System Methodology.

Main Research Interests and Perspectives:

Topics:

- Economy, Ecology and Society; Welfare and Ecology; Organization Processes.
- Social and Labor Policies; Poverty, Work and Social Exclusion.
- Power, Learning, Participation and Democratic and Nonprofit Organization.

The theoretical and methodological perspective is based on an integration between economic sociology and ecology of mind, between cybernetics, system theory and pragmatist research approaches, with particular regard to the abductive and action-research methods applicable in comparative qualitative case studies.

Currently, his theoretical research mainly regards the relationship between ecology, economy society with empirical applications in the field of sustainable welfare, organization, participation and community organization processes.

Responsible for the Scientific Program (Funded):

- Research LAB: Laboratory of Research on Inclusion and Social Development, University of Pisa: <http://lariss.sp.unipi.it/> (2010-2017): Action-research, Evaluation, Social Policy, Social Exclusion, NGOs.
- Observatory for Social Policy (Province of Massa Carrara, Italy, 2010-2016). Researches on: Social Exclusion, Poverty and Unemployment, Youth People and Unemployment, Social Planning and Social Policy, Migration processes and Local Community, Policies against gender-based violence.
- Collaboration, integration or merging? Evaluational Action-research for improving relationships between two Social Firms (2012-14). LaRISS, University of Pisa
- International Conference "Participatory local welfare, citizenship and third sector organizations. What is at stake?" http://www.volontariatoepartecipazione.eu/part_wel-conference/ University of Pisa, 2013
- Action-Research Project "Citizens and third sector participation in the Tuscany Region Social-Health System" (2011-12), Tuscany Region, Voluntary and Participation Foundation – Italy
- Research Project "The integration to work of disabled people between innovation of policy and institutional changes" (2009-11), Province of Milan and CDRL (Private Research Institute of Milan)
- Research Project "Volunteering in the Elderly Homes in the Province of Brescia, University of Brescia", 2008-2010
- Research Project "Volunteering Organizations in the Province of Brescia: social needs, and services organization and delivery", University of Brescia 2006-08
- Research Project "The participatory local planning in the Province of Brescia and the social policies for elderly people", University of Brescia 2006-07
- Action-Research Project "Integrated management of labour market policies and services at local level" (2005-06). FSE - CDRL (Private Research Institute of Milan)

Scientific participation in national and international research projects eligible for funding on the basis of competitive calls involving peer review:

- Seventh Framework Programme, 2014. Peer Review of the German Report for the International Research Project "TENLaw – Tenancy Law and Housing Policy in Multi-Level Europe"
- PRIN 2008 "Politiche sociali partecipate e cittadinanza attiva: promozione dei servizi, auto-organizzazione dei soggetti e costruzione delle istituzioni" (*Participatory social policies and active citizenship: promotion of services, self-organization of actors and institution building*)- University of PISA, Department of Political Science (National Project, Co-Funded by the State).
- PRIN 2006 - "La dimensione territoriale delle politiche sociali: attori, processi, impatto. La governance multilivello in una prospettiva comparata europea" (*The territorial dimension of social policies: actors, processes, impact. Multilevel governance in a comparative European perspective*)- University of URBINO, Institute of Sociology (National Project, Co-Funded by the State).
- European Centre for Social Welfare Policy and Research 2005 – "Rescaling Social Welfare Policies. A

- comparative study on the path towards multi-level governance in Europe" - University of URBINO, Institute of Sociology // Italian Team Leader on Activation Policy Measures (Co-Funded by the States).
- Prin 2003 - "Politiche Attive del Lavoro e Nuovi Modelli di Governance in Italia" (*Active Labour Policies and New Models of Governance in Italy*)- University of URBINO, Institute of Sociology (National Project, Co-Funded by the State).
 - 4th framework programme on Targeted Socio-Economic Research (TSER) of the EU "The Spatial Dimensions of Urban Social Exclusion and Integration: A European Comparison – Urbex" - University of URBINO, 1999-2001 (Funded by EU)

Others research projects:

- Welfare sustainability: a pragmatist-systemic approach for ecological researches and practices in social policy (since 2017)
- Progetto "PRA 2017". "Le reti della conoscenza nella società globale". University Research Project, University of Pisa (funded)
- Progetto "PRA 2015". "Crisi socio-economica e nuove forme della disegualianza e sviluppo sociale". University Research Project, University of Pisa (funded)
- "Evaluation of measures to combat poverty (CCT)" - Trasferimenti monetari condizionali per il contrasto della povertà infantile e l'inclusione sociale: una review realista sui paesi dell'area OCSE (Nuval, Formez) 2016
- "Logics of local welfare systems compared (Italy and Norway). An abductive and action-research oriented study" (University of Pisa and University of Adger), 2015 – 2018.
- "Towards an ecological approach in social policy research: social investment and context-based social policies" (University of Pisa and various local actors), 2014-2016
- "The socio-political construction of citizenship, welfare and well-being: a comparative case study on community organisations in Argentina, Italy and Germany", 2014 – 2018.
- "Youth hard pathways towards adulthood. A case study" (University of Pisa, Province of Massa Carrara, 2014 – 2016.
- "Trasferimenti monetari condizionali per il contrasto della povertà infantile e l'inclusione sociale: una review realista sui paesi dell'area OCSE", partecipazione a gruppo di Lavoro "Progetto NUVAL (Azioni di sostegno alle attività del Sistema Nazionale di Valutazione e dei Nuclei di Valutazione), PON GAT (FESR) 2007 – 2013, Formez PA e NUVAP, Dipartimento per le Politiche di Coesione, Presidenza del Consiglio dei Ministri, 2015
- "Diritti in costruzione. Presupposti per una definizione efficace dei livelli essenziali di assistenza sociale" (*Rights under construction. Conditions for an effective definition of the basic level of social assistance*) (2011-12). National Research group: University of Pisa, Siena, Milano Bicocca, NGO Social Network (partially funded by an NGO Network)
- "Individualisation without personalisation? The paradoxical logic of the quasi-market based employment services in the Lombardy Region" (2011) University of Pisa, Polytechnic of Milan (not funded)
- "La solidarietà frammentata: i sistemi di welfare regionale in Italia" (*The fragmented subsidiarity: regional welfare systems in Italy*) (2009). National Research group: University of Pisa, Siena, Milano Bicocca, Bologna, NGO Social Network (partially funded by an NGO Network)
- "Imprese sociali verdi? L'esperienza della Provincia di Brescia" (Green and Social Firms in the Province of Brescia: networks, consortia, districts) (2007). University of Brescia (not funded)

Research Networks

- European Network for Social Policy Analysis: [ESPAnet Europe](#)
